

OPT3 Recycling Program

The OPT3 Recycling program is for projects that do not qualify under the recovery program. This includes projects less than 45,000 square feet and carpet tile not meeting appearance and construction standards. This program is a cost-effective and easy way to dispose of carpet tile.

Qualifications:

- Any carpet tile that does not qualify under the OPT3 Recovery program
- Complete and sign an OPT3 Recycling Contract
- Send completed and signed contract to OPT3 via fax to 865-692-8226 or email at recycling@dpmopt3.com

Advantages:

- Cost effective means to recycling all grades of carpet tile
- Easy process that requires little effort and time
- Carpet tile diverted from landfill

PRICING:

Disposal Fee	2500 + \$.85/sq. yd. 1000 – 2499 \$1.25./sq. yd. Under 1000 \$1.50/sq. yd.
Freight	Zone 1-Included Zone 2-Prepaid by Customer

PACKAGING INSTRUCTIONS:

Approved carpet tile materials must be packaged in a manner allowing both secure shipment by trailer and the ability of OPT3 employees to safely inspect and unload the trailers' contents. For this reason, all approved carpet tile materials sent to OPT3 must be neatly stacked in one of the following ways:

1. 4 by 4 pallets stacked with carpet tile materials to 40"-48" inches tall
2. Carpet tile must be secured with stretch wrap for stable shipment
3. 24 pallets constitute a trailer load

FREIGHT

Zone 1 – Freight paid by OPT3 on all states east of the Mississippi River
 Zone 2 – Freight paid by customer to OPT3 facility

DISPOSAL CERTIFICATE

DPM Enterprises will provide a disposal certificate for each project. The disposal certificate will specify that 100% of materials received were recycled and no materials went to the landfill.
